About Daily Table:

Daily Table's mission is to provide affordable nutrition to those most in need, helping to eliminate hunger and obesity in the US. Through an innovative not-for-profit retail grocery model, Daily Table addresses these challenges with a solution that is both financially sustainable and scalable. Led by Doug Rauch, former President of Trader Joe's, Daily Table will open its first store in April 2015 in the Dorchester neighborhood of Boston. With the recovery of excess, surplus food from supermarkets, growers and distributors, customers will be offered a combination of fresh groceries, ready-to-cook meals, and grab'n'go meals prepared in an onsite kitchen and available at affordable prices. Beyond Dorchester, Daily Table will expand first to at least one other location in Boston and then to other cities in the US.

Position Summary:

Dorchester residents are strongly encouraged to apply.

Daily Table is looking for dishwashers who will be a critical part of the kitchen team. At times, the dishwasher will be asked to assist in other cleaning tasks in the store. Like all Daily Table employees, they must understand and be interested in Daily Table's mission to decrease hunger, poor nutrition, and obesity in the inner city while providing access to affordable, high-quality food.

Daily Table has a very collaborative work environment: we wouldn't be able to do what we do without the extraordinary commitment and flexibility of our staff. We are looking for someone who can (within reason) cover for staff in various departments.

Duties and Responsibilities:

- Be reliable
- Be a team player
- Follow all safety and cleanliness requirements
